## Royalty Reigns At Applefest

The 1998 Huron Township Applefest had a royal send off with the crowning of the Applefest

Queen, Johnny Appleseed and their court.

Helena and R.P. Lily are the 1998 Applefest Queen and Johnny Appleseed. They were appointed to these positions by the Applefest Committee in order to honor and thank them for their service and dedication to the community. They serve as the committee's goodwill ambassadors throughout the week-end.

The court consists of young men and women who gain their titles with their talents, skills, or costumes in a show on Friday evening. The entertainment provided by them is exceptional.

Apple Blossom for 1998 is Savannah Donaty, Apple Dumpling

is Courtney Lynn Wyatt, Apple Struedel is Charlotte Crisher, Apple Fritter is Benjamin Lewis, Apple Butter is Elizabeth Lewis, and Apple Pie is Cody Zavodsky.

Other participants were Krystal Haman, Courtney Burton, Ashly Clymer, Anastsia Murphy, Mary Signorelli, Bobbi Setser, Lindsey Bruczyski, Katie Schuren, Brittany Coles and Nicholas Schuren.

The talent judges were Kathe Anetzberger, Marcia Dulmage, and Joyce Lambly. They had a very difficult job.

Apologies to anyone who may have been overlooked.

A BIG Applefest thank you to everyone who participated and hope to see all of you there again next year.

A SPECIAL BIG thank you to our French hot dog chef, Ron "Pierre" Reininger and his staff for the great food and cider.

Applefest Court (L-R) Applefest Queen Helena Lily, Apple Fritter Ben Lewis, Apple Blossom Savannah Donaty, Apple Dumpling Courtney Lynn Wyatt, Apple Pie Cody Zavodsky, Apple Struedel, Charlotte Crisher, Apple Butter Liz Lewis and Johnny Appleseed R.P. Lily.

At the time of registration it was only a question of whether the Rupperecht team would top last year's performance.

The 4th Annual Wheelbarrow Race was very entertaining and could best be described as quality over quantity. A large crowd was on hand to witness one of the best races in its four-year history.

First place was won by Pauline Schiff and Cindy Rupperecht who ran as the team Deville and Wizzer. The theme taken from the Disney Movie "101 Dalmatians" was demonstrated by a brief skit. While the skit was not

## AL FRESCO

*Georgette Heron-Willoughby*

In my series of comfort foods I wanted to create a meatloaf dinner that didn't have all of the calories and fat of a typical dinner.

Of course it isn't going to be exactly the same as momma's but it will satisfy the craving. It will take less time and effort to make because you put everything in one baking dish.

As I did with the Lasagne Rollups, by giving you a single serving recipe, I will do the same with this dish.

When I was creating this recipe I baked it in a ramekin (small, individual baking dish) and it was perfect but you could bake it in a larger dish

for more servings.

Notice once again I have eliminated the egg from a recipe that usually calls for one. In today's recipes it is not always necessary to use eggs where you mom always did.

## Meatloaf Dinner

1 Cup Ground Sirloin or Chuck	2 Tbs. Chili Sauce or Katsup
2 Tbs. Celery - chopped fine	1/2 Cup Seasoned Croutons - chopped small, not fine
2 Tbs. Onion Soup Mix	1/2 Tsp. Pepper
1 Tbs. Worcestershire	

1 Med. Potato - Potato - peeled and cubed  
1/2 Cup Green Beans - cut small

Combine meatloaf ingredients in a bowl and mix well. Layer the cubes of potatoes and the green beans in the bottom of the ramekin or single baking dish. Cover vegetables with meat mixture and press down gently.

Bake at 350°. covered for 25-30 minutes. Remove cover and with a fork or spoon press down gently on meat to flatten. Spread a layer of chili sauce or katsup on the top and bake 15-20 more minutes.

# Making A Difference

Do you have time during the day or during your lunch hour to volunteer to help a student succeed? Through the HOSTS (Help One Student To Succeed) program you can volunteer one hour a week to help a student in reading and writing skills.

For a variety of reasons, elementary students sometimes fall behind their classmates in reading. The HOSTS program is being implemented in both of Huron's elementary schools

in an effort to help those students succeed. Members of the community are being asked to volunteer their time to serve as a HOSTS mentor. Mentors will work one on one with a particular student at either Brown or Miller Elementary School.

HOSTS mentors will receive training from professional school staff on what the student can accomplish with their assistance. A reading instructor will put together a

packet of materials specifically for their student. Once a week the mentor will pick up their student's packet, meet him/her in the HOSTS classroom, and then the student will practice reading with the mentor's help.

By volunteering to be a HOSTS mentor, a person can

make a real difference in the life of a child. For more information, or to volunteer to be a HOSTS mentor, call Sharon Graham, HOSTS teacher at Brown Elementary (734) 782-0331; or Denise Miller-Spicer, HOSTS teacher at Miller Elementary (734) 753-5373.

# Governor Signs EMT Bill

Legislation recently signed in to law by Governor Engler allows emergency medical technicians (EMTs) to administer a higher level of care when responding to emergen-

cies, said state Senator Loren Bennett (R-Canton Township), sponsor of the legislation.

The old law dictated that a fire department or ambulance service could provide medical

care at the highest level that could be guaranteed 24 hours a day, seven days a week. Under the new law, EMTs are allowed to administer care according to their level of training, either basic, intermediate or advanced (paramedic).

"Under this new law, EMTs no longer have their hands

legally tied when it comes to making emergency decisions," Bennett said. "In communities with smaller, volunteer fire departments this legislation will literally save lives.

"I would especially like to thank Mark Kenosian, an EMT specialist with the Huron Township Fire Department,

Kathy Bone, a paramedic instructor and EMT for the Flat Rock Fire Department and Fire Chief Janet Sikes, of the Woodhaven Fire Department for bringing this issue to my attention and fighting hard for this new law."

# Ballot Issues

## A. State Constitution

A **YES** vote on Proposal A would change the wording of the State Constitution by replacing the word "handicapped" with "disabled."

A **NO** vote on Proposal A would leave the original word, "handicapped," in the State Constitution.

## B. Assisted Suicide

A **YES** vote on Proposal B will be a vote in favor of allowing physician-assisted suicide in Michigan. If

Proposal B passes, a physician, after following required procedures, would be allowed to prescribe a lethal dose of medication to enable a terminally ill individual to commit suicide. Passage of Proposal B would nullify a ban on assisted suicide which went into effect September 1, 1998.

A **NO** vote on Proposal B will be a vote against allowing physician-assisted suicide in Michigan. If Proposal B does not pass, any person assisting

another individual with a suicide attempt would be in violation of a new state law which went into effect September 1, 1998.

## C. Clean Michigan Initiative

A **YES** vote on Proposal C is a vote in favor of the Clean Michigan Initiative. Passage of Proposal C authorizes the state to borrow \$675 million for the purpose of protecting and preserving Michigan's natural resources. Specifically,

the money would be used to:

- finance further brownfield redevelopment;
- improve state and local parks;
- clean contaminated rivers;
- protect our water resources from further pollution;
- abate lead dangers to our children;
- fund innovative pollution prevention programs; and
- enhance our state's waterfront development activities.

From a fiscal perspective, Michigan's current high bond rating and low increase rates make this an excellent time for the state to borrow money.

A **NO** vote on Proposal C is a vote against the Clean Michigan Initiative. Failure of Proposal C means the state would not be authorized to issue general obligation bonds in the amount of \$675 million for environmental clean-up and economic development.

# Clothesline Project

Soroptimist International of Flat Rock is in the process of starting up a CLOTHESLINE PROJECT. This movement, started in 1990 in Hyannis, Massachusetts, bears witness to violent crimes against women. It is comprised of different colored shirts, hung shoulder to shoulder, representing different forms of violence. Shirts are decorated to represent a particular woman's experience – by the survivor herself or someone who cares about her.

The purpose of the clothesline is to provide survivors and friends of victims with a medium for healing and a safe place to speak out about the abuse. It educates the public about the personal impact and prevalence of this type of violence and is the first national movement of its kind that links together the different forms of violence women experience, as well as speaking to the quality of life that victims of violent crimes have to live with in this culture.

Women who have been victims of violent crimes – rape, incest, child abuse, domestic violence – are invited to decorate a shirt telling the story of what happened to them. Persons close to women who have been victims of a violent crime can also decorate shirts.

The color of the shirt designates the type of crime committed:

White – Women who have died as a result of violence.

Red, Pink or Orange – Women who have been raped or sexually assaulted.

Blue or Green – Women who have been battered or assaulted.

Purple or Lavender – Women attacked because of their sexual orientation.

The shirts are then hung on a CLOTHESLINE in various public places – festivals, Universities, Libraries, banks, etc. – to promote awareness of the violent crimes committed against women.

A workshop to decorate

shirts was held August 17th at the Downriver Guidance Clinic. Women from the Downriver Guidance Clinic, Soroptimist Club of Flat Rock, and Venture Club of Wyandotte-Southgate-Taylor and Trenton were on hand to assist women at this workshop. Women interested in decorating a shirt for the clothesline may call Marie Lewandowski at 734-783-3516. Additional workshops will be held as the need

arises.

When You Use

### Hildebrand Carpet & Upholstery Cleaning

1. **Thorough Cleaning** – Use the most thorough cleaning method there is. Some cleaning methods use chemicals that leave a residue on your carpet. That doesn't get the dirt out, it just covers it up. My method doesn't leave a residue and is very powerful. It cleans way down to the base so your carpet will look brand new again.
2. **Stays Clean Longer** – Since we clean all the way down to the base of your carpet, your carpet will stay looking clean longer.
3. **I use only certified technicians.** Each technician has been through extensive training on how to properly use our super equipment. If a technician isn't properly trained, your carpet won't get thoroughly cleaned.
4. **100% Money-Back Guarantee.** If you aren't thrilled with your carpet, I'll refund every cent. No questions asked!

# Leveling The Playing Field

The Wyandotte/Downriver Branch of the American Association of University Women will welcome Ms. Peg Talburt to the October General Meeting, which will be held on Tuesday, October 13, at 7:30 p.m. in the First Presbyterian Church of Wyandotte, 22nd and Oak Street. Ms. Talburt will represent the Michigan Women's Foundation as she presents the issue "Leveling the Playing Field, Literally and Figuratively" which addresses the inequities in funding for sports in schools and colleges.

Title IX was passed by the Michigan legislature in 1972 to eliminate sexual discrimination in schools, both public and college; one area it targets is sports. Although there has been much progress in this area, there are still large inequities. Participation in sports teaches leadership and teamwork, both skills that are needed in the business world. "Studies indicate that girls who participate in sports have a tendency to develop a better body image, more self-confidence, and are less apt to become pregnant and drop out of school," states Ms. Talburt, who will expand on this topic for the members and guests at the meeting. Arrangements for the program were made with

the co-operation of Mr. Tom Wilson, a former Wyandotte school board member, who coaches girls sports teams, and by Mrs. Ruth Briggs, of Trenton, Program Vice-President of the Branch.

President Laurel Plagens of Dearborn will preside at the business meeting which will begin the evening. Initial reports from the Used Booksale on October 9, 10 and 11 at Southland Mall will be given. Guests and visitors are always welcome to attend the General Meeting. Members of the Brand currently represent over 12 Downriver communities, from Flat Rock to Grosse Ile, from Allen Park to Ecorse, and enjoy an active program of Study-Interest Groups in addition to the usual monthly programs.

AAUW, founded in 1881, is open to all graduates who hold the baccalaureate or higher degree from a regionally accredited college or university. In principle and practice, AAUW values and seeks a diverse membership, and welcomes all qualified applicants. AAUW promotes equity for all women and girls, lifelong education and positive societal changes. For membership information please call (313) 274-8933, or (734) 676-3573.
